● **24% Overall Similarity**

The combined total of all matches, including overlapping sources, for each database.

- 19% Internet database
- 15% Publications database
- Crossref database
- Crossref Posted Content database
- 18% Submitted Works database

● **24% Overall Similarity**

Top sources found in the following databases:

- 19% Internet database
- 15% Publications database
- Crossref database
- Crossref Posted Content database
- 18% Submitted Works database

TOP SOURCES

The sources with the highest number of matches within the submission. Overlapping sources will not be displayed.
