Subject: Internship Report on “Overview of Islami Bank Bangladesh Limited.”

Dear Madam,

First of all, I would like to thank you for guiding me through this Internship Course. As per your instructions, I have prepared this report titled: “**Overview of Islami Bank Bangladesh Limited**” based on my activities at different departments of Islami Bank Bangladesh Limited which also happens to be the primary project that I was entrusted with during my internship tenure.

As an intern of Islami Bank Bangladesh Limited (IBBL), I had to work at three different departments- General Banking, Foreign Exchange and Investment by rotation. While working at these departments, I had the opportunity to use my theoretical knowledge which I have gained from the Business and Technology Management (BTM) Department of Islamic University of Technology (IUT). Additionally, I also had the opportunity to get in-depth knowledge about the banking industry of Bangladesh. This comprehensive internship report is the result of my efforts and I have tried my heart and soul to include every detail of my internship experience in it.

My earnest gratitude to you for your benevolent support at every step during my internship and for understanding the challenges of working under a new environment. I believe this internship report will prove to be informative and useful, as I have tried to highlight my learnings, experience and executions relevant to my internship project

Sincerely yours,

Shadman Sakib
